

**The Trained Working dogs on Sale**

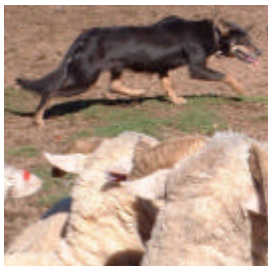

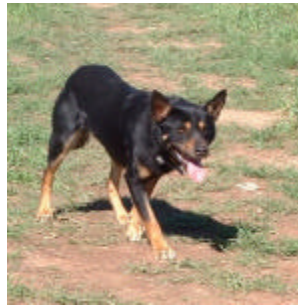

There are eight trained Kelpie working dogs being offered for sale by auction at the Winona annual ram and dog sale. As we know, dogs have varying working characteristics, strengths and weaknesses.

Winona intends to fully demonstrate each of the dogs on offer with these demonstrations starting at 10.00am November 2, 2005., however a brief description is as follows.

**Jedd** – Jedd is a black and tan male who was born Feb 20, 2004 to sire Winona Rastas and dam Winona Molly. He is a good casting paddock dog ideal for sheep and goats. He is “stylish”, he covers and drives well.

**Max** – Max was born Feb 6, 2004 to sire Winona Rastas and dam Croakes Rose. He is a black and tan male who a very strong dog. He is therefore suitable for cattle or sheep. He is good casting and strong on the head of sheep or cattle.

**Blue** — This is a top class blue and tan bitch who was born May 18, 2003. She is a good all round bitch that shows class casting and driving for both cattle and sheep in both paddocks or yards. She is comfortable backing sheep in yards. Bred by Winona Diesel and Croakes Bindi

**Winona Blue****Winona Max**

**Tom** — Tom is a black and tan dog born to Winona Rastas and Winona Dolly on November 18, 2003. He is a calm working stylish paddock dog that is casting and driving well.

A dog that is well recommended for most properties.

**Rose**— Rose is a nice red and tan bitch that is a good quality paddock dog that casts and drives well. She is bred by Winona Rastas to Winona Nellie and was born on March 10, 2004.

**Jimmy**– Jimmy is a black and tan male born July 15, 2004. He is by Winona Rastas and Winona Phoebe and a very good natured dog that likes the paddock, casting and driving well.

**Sam**—Sam was bred on November 2, 2004 to Winona Rastas and Winona Bella. He is black and tan started dog that shows good potential as an all round dog.

**Tess**— A black and tan female born October 3, 2004 by Winona Rastas and Winona Jess. Although young she shows great promise.

**Combined ram and Dog Sale**

Finally its almost time for our annual sale by auction with a difference. Starting with dog demonstrations and ram inspections from 10.00 am, the sale commences on November 2, 2005.

The actual sale will begin at 1.00pm when all the dogs offered for sale have been put through their hoops and have had qualities explained by both Colin and Nick Seis.

There is forty fine wool rams on offer and they are all of the heavy cutting bold crimping types with good wool style. They are all rising four tooth, well grown and have been wool tested. Their test results are in following pages.

The micron average of the forty rams is 17.78 with an exceptionally low prickle factor. These rams are the ideal choice when one wishes to decrease flock micron without loosing wool cutting weights at shearing.

**Dogs will be for sale at the Annual Winona Ram Sale****Nicholas Seis with “Jim” - a dog for the auction**

At this **November 2, 2005** Winona Annual Ram Sale, we will have a selection of eight fully trained Winona kelpie working dogs available by auction. These dogs range from one to two years of age and will be a mixture of “all round”, “yard” and “paddock” as well as dogs suitable for cattle work. A description of the dogs follows.

Winona Mike, who is the sire of many of the rams on offer. He was champion fine-wool ram at a number of the Central West shows.

He is now retired from the show circuit and is active in contributing to the breeding programs in place here at Winona.
